

## GRACENOTES DOWN THE SCALE:

1. Play F. Lift High G gracenote finger up. Play E. Make sure both fingers come down together.
2. Play F. Lift High G gracenote finger up. Get bottom hand ready for D. Put all top hand fingers on together to play D.
3. Play F. Lift High G gracenote finger up. Get bottom hand ready for C. Put all top hand fingers on together to play C.
4. Play F. Lift High G gracenote finger up. Get bottom hand ready for B. Put all top hand fingers on together to play B.
5. Play F. Lift High G gracenote finger up. Put all top hand fingers on together to play Low A.

## GDE GRACENOTES:

- Play 3 High G gracenotes (left index finger) on Low A.
- Play 3 D gracenotes (right index finger) on Low A.
- Play 3 E gracenotes (left ring finger) on Low A.

Then play one of each gracenote, G D E. These will be used often in this sequence. Practise to get them all the same size and nice and crisp sounding.
