

1. The Great Highland Bagpipe (GHB) can produce 11 different notes spanning a range of 3 octaves:

1 Bass Note	:	from the Bass Drone
1 Tenor Note	:	from each of 2 Tenor Drones
9 Melody Notes	:	from the Chanter

2. The GHB sounds 3 Notes simultaneously –

- 1 Bass Note
- 1 Tenor Note
- 1 Chanter (Melody) Note

3. The loss of any one of these 3 notes results in the sound of an incomplete instrument.
